

# **JET START FOUNDATION FUNDRAISER**

## **“COINS FOR OUR CAUSE”**

**As you know our foundation raises funds for Kennedy Health Systems to help those who suffer from Bipolar Disorder.**

**At this time we were asked to help fund a basketball court at:**

**Kennedy Health Center  
Hurfville-Cross Keys Road  
Turnersville, NJ 08012**

**If we can get 200 people to save a quarter a day for 365 days we would raise \$18,250 and our basketball court can be completed. So please take a jar today and start filling it with a quarter a day. Why not help someone in need for 2017?**

**Thank you,  
Jet Start Foundation  
Donna Bennett, President**
